

Llanybydder Cattle Sale

Saturday 10th March, 2018

At the time of year when a lot of farmers are lambing, it was a wonderful sight to see so many attending the above sale. With some old faces returning to the cattle ring to purchase the high standard of stock on display, truly, West Wales farmers certainly know how to raise quality cattle. With the many tremendous stock on offer, demand was high

across the board with top of the day at £1340 going to Mr Mark Lamport, Blaenwern for a 22 month old Charolais steer. In the heifer section, top went to Mr Ken Jones, Pantbach for a 29 month old limousin at £1255. A 20 month old pure limousin bull attracted a lot of attention prior to, and at the sale, and made £2750 for Mr and Mrs Jenkins, Beiligwyn.
