## **\*\* Information regarding Cattle Passports\*\***

From the 1st of October 2018 BCMS will introduce a time limit of 6 weeks from the date of issue, after which they will charge for a replacement.

The following message will be placed on CTS Online to alert keepers: When you apply for a passport, you should receive it within 14 days. If you don't, the passport will be treated as lost and you should contact BCMS. If BCMS have issued the passport and you haven't received it, they will carry out checks and may send you a replacement free of charge if you have informed them within 6 weeks.

From 1 October 2018, if you do not inform BCMS within 6 weeks of the date the passport was produced, you will have to pay a fee of £20 per animal when you apply for the replacement passport. You should also tell BCMS if you've sent in a passport for any reason and you've not received it back within 14 days.
